SWYB Complete Learning Kit (DVD or VHS)

**Baby Signing** from the most award-winning product of its kind for introducing American Sign Language (ASL) signs to all babies, this powerful package can help you understand and meet the needs of the infants and toddlers in your care long before they can speak. Teachers and parents alike find its Book, DVD/Video, and Quick Reference Guide easy to understand. Author and researcher Dr. Joseph Garcia offers a straightforward and light-hearted approach to teaching infants how to communicate using simple ASL signs. Dr. Garcia and the SIGN with your BABY<sup>®</sup> method have been featured regularly in the national media, including:

### SIGN with your BABY

The Book by Dr. Joseph Garcia

Dr. Garcia uses anecdotes, practical guidelines and humor to engage the reader. The book is easily read in two half-hour sessions. 145 clearly illustrated signs make this a useful reference, enabling you to learn and teach the signs that will be most beneficial to the children in your care.

### SIGN with your BABY

Training Video (DVD or VHS)

Winner of six national awards, this 63 minute video makes learning easy with instruction, demonstrations of 145 signs, and tips from author Dr. Joseph Garcia. It also features practical insight from Dr. Burton White, a leading authority on early childhood development. Eye-opening footage of signing babies, along with parent testimonials offer an inspirational vision of the power of the SIGN with your BABY<sup>®</sup> method.

## Linda Stoler Music for Early Education

**\$14<sup>95</sup> ea.**  
*msrp*

When infants and young children are exposed to language in an interactive manner, they learn to make order from what they hear. As you and your child share the experience of these songs, your relationship deepens and your child's knowledge and sense of self expands. Enjoy often for best results! Hear samples of Linda's engaging music at sign2me.com
